Report on Gender Sensitization Workshop

Internal Quality Assurance Cell (IQAC) of Manavlok's College of Social Work organized one day workshop on Gender Sensitization on dated 27.11.2021,

Saturday. Gender Sensitization refers to the raising sensitization of gender equality concerns. The aim of organizing this programme is that it helps the student to understand the difference between sex and gender and how gender is socially constructed and the stereotypes around gender roles. It helps them determine which assumptions in matters of gender are valid and which are stereotyped.

Objective of the workshop

To create awareness among the students and staff about the importance of gender sensitivity.

The format of the workshop

The themes were divided in the following manner

- concept of sex and gender
- Women and caste, religion, violence
- Various types of sex
- Women and language

Resource person of today's workshop Mrs. Sunita Bagal explained all the above mentioned concepts by giving exercises on –

Selection of Mate – Group discussion and presentation (students were divided in 6 groups)

Reverse Role – this game was given to the students to understand the

role in reverse way.

Summary of the Workshop

Mrs.

Sunitatai explained that without being sensitive to the needs of a particular gender, an individual may retrain from

understanding the opposite gender. Further she said gender is socially learned behavior, based on social expectations from men and women. The women and children are most vulnerable group of this situation. And it is under pressure on boys and girls to live up to the established norms of masculinity and femininity. Girls endure unwarranted social control, discrimination and domination. Boys discouraged from being emotional, gentle or fearful. Hence, she described that gender sensitization gives a clear and precise view about gender and helps to

understand that gender is not about women its about “people” . she explained various sex prevailed in the society and she is also discussed

about the problems of transgender.

Manavlok’s College of social work gives training to the students to become professional social workers. Who are working in different fields of social work, so it is necessary that the students should know about concepts of

gender and sex
Therefore students
must be sensitized
towards gender
equality. Gender
sensitivity helps to
generate respect for
individual

irrespective of sex at work place and in society. The need for gender sensitization has been felt and realized by the Manavlok's College of social Work and one day workshop was conducted. This workshop was arranged for 60 students, 7 teachers and 4 non teaching staff.

Outcome of the workshop

Gender sensitivity helps to generate respect for individual irrespective of sex at work place and family and in society.

स्त्री पुरुष समानता ही फक्त पुस्तके वाचून समजून घेणे इतपत मर्यादित नसून ती दोघांच्याही वागण्यातून प्रत्यक्ष अमलात आणतांना दिसून येणे महत्वाचे आहे. त्यासाठी आपल्याला लिंग समानतेच्या संकल्पने विषयी स्पष्टता असणे गरजेचे आहे तरच आपण समाजकार्यकर्ते म्हणून या विषयी प्रभावीपणे काम करू शकू. या संकल्पनेविषयी जाणून घेणेसाठी उद्या दि. २७.११.२०२१ रोजी "लिंग समानता" या विषयावर एक दिवशीय कार्यशाळेचे आयोजन मानवलोक समाजकार्य महाविद्यालयाच्या इंटरनल क्वालिटी अॅशुरन्स सेल च्या अंतर्गत करण्यात आले आहे.

एम.एस.डब्ल्यू. प्रथम व द्वितीय वर्षाच्या सर्व विद्यार्थ्यांनी या कार्यशाळेत उपस्थित रहाणे अनिवार्य आहे.
