## **Forewords**

It is a pleasure to present the report of Manavlok Social Work College, Ambajogai for the academic year 2023-2024. The guidance of College Development Committee is valuable for the smooth functioning of the college. Especially Manavlok's Secretary Hon. Mr. Aniket Lohiya's guidance is very important in the development of the college. So the college always prefers to remain in their debt. This annual report is intended to be a written account of the innovative activities undertaken by the college. For the smooth running of the college work, a year is planned at the beginning of the academic year and given the responsibility as coordinator / head. So the work of the year is done properly. The college always strives for holistic development of students through university courses and other programs. Students are given proper knowledge of social work and it practiced through field work. Students are trained through various courses like rural camp, study tour, seminar, personal study, skill lab. For that, the professors in the college work to impart knowledge with passion. At the same time, the contribution of non teaching staff is very valuable. From the cleanliness of the premises to the overall development of the students, the college always strives to inculcate humanitarian approach among all students and staff. It is because of this effort that the college has got NAAC 'B++' status.

In field work the Knowledge of social work is demonstrated in the community as well as in various institutions. Agency base placement i.e.case work, group work for first year and different communities for second year students. In the agency-based field work, the students adopted two methods of social work, Case Work and Group Work. Students use these methods to deal with individual problems of a person in the institution. Client selected and social work tools and techniques are applied for helping client to solve their own problem by enabling them. In group work method, persons with similar problem are focused. Group work was done using the principles, techniques, and skills of group work. The second year students have gone to different communities and demonstrated the third method of social work i.e.community organization. Students in their fieldwork visits try to identify needs and issues if the community. They worked with the participation of community dwellers to understand the community, identify community issues and solve them by applying various techniques of community organization.. At the same time, the students carried out field work projects, community based research on various issues in the community. In this two year course, students try to study all the six methods of social work. Students also participated in activities like Morcha, Baitha Satyagraha and street play for awareness making on various burning social issues.
